Understanding Coverage Choices

Below are general descriptions of types of insurance coverages. You'll want to consult your policy for terms, conditions and limits of your own insurance coverages.

Homeowners Insurance

Dwelling Protection - Covers the home you live in and other structures attached to it such as a garage, porch or deck.

Family Liability Protection - Can help protect you from financial loss if you're legally obligated to pay for another person's injuries or damage to another person's property.

Guest Medical Protection - Can help pay for reasonable and necessary medical expenses if a guest is injured in an accident in your residence.

Personal Property - Safeguards the possessions inside your house, such as furniture, bicycle, stereo and more.

Other Structures Protection - Covers other buildings on your property that are separate from your home such as a stand-alone garage or a shed.

Personal Property Reimbursement - Typically means your belongings are covered for the amount it would take to replace them at the time of the claim. Premiums are usually higher for this coverage.

Water Backup - Covers damages when your drain backs up or sump pump breaks.

Supplemental Loss Assessment - Coverage for home owner association assessments for a covered loss to commonly owned property.

Extended Coverage on Jewelry, Watches and Furs - Extends coverage for jewelry, watches and furs.

Service Lines - Extra protection against service line failure. From repairs and landscaping to excavation and

living expenses, this can help cover damages if lines fail.

Identity Theft Expenses - Allstate's Identity Restoration Coverage provides high-quality fraud assistance, handling everything from proactive fraud alerts to inquiries from creditors. The moment you contact us, a personal fraud specialist will help lock down your personal info and help repair any damage to your identity.

Personal Injury - Protects against false arrest, invasion of privacy, libel, slander, humiliation or defamation of another person's character.
