Re: Purchase of **38 Forest Knoll Drive, Weaverville, NC 28787**
Heon Cheol Lee and Sooja Lee to Steven Frank Carmichael and Elizabeth Mahlian Carmichael

Dear Steven Frank Carmichael and Elizabeth Mahlian Carmichael:

We wanted to take this opportunity to personally thank you for selecting Goosmann Rose Colvard & Cramer, P.A. as the settlement agent and closing representative for your purchase of the above-referenced property. To assist in your understanding of the closing process, we have enclosed our Firm's informational pamphlet regarding the purchase of residential or vacant real property entitled "Closing Information and Guidelines regarding the Purchase of Residential or Vacant Real Property." In addition, please know that we are here to serve and assist you and welcome your calls and emails at any point in the process. We look forward to working with you in having a smooth and rewarding transaction.

In addition to providing you with the Closing Information and Guidelines pamphlet discussed above, we also wanted to take the opportunity to outline the scope of our representation on your behalf. The services we will provide include: (1) review of purchase contract or agreement, (2) title examination and opinion prior to closing, (3) preparation and review of the closing documents, (4) explanation of the closing process and transaction details, (5) coordination and intermediation among the parties and lender, provided financing is involved, (6) conducting the closing and settling the transaction between the parties, including the update of the prior title examination, recordation of the closing documents and disbursement of settlement funds, and (7) preparation of the final opinion on title for the purpose of issuance of your title insurance policy. In regard to the preparation and review of the closing documents, we will review the seller's documents regarding the transfer of title to you, prepare the Settlement Statement as well as receive and finalize your loan documents once obtained from your lender, if applicable.

Enclosed is a second pamphlet regarding the purchase of real property entitled "Items that May be in Your Best Interest," which is a list of matters that are either outside the scope of our representation or are related to services provided by other professionals that may be in your best interest to obtain prior to closing. If you require additional information regarding the attached items, please contact us at your earliest convenience so that such matters do not result in a delay in your closing.

Otherwise, we presume that you have read and understand the terms of your contract, particularly as to the condition of the property, and that prior to closing, you will obtain any home inspection or such other inspections that you deem advisable or desirable.

The fees payable by you to our Firm include the normal services associated with representing a buyer's interest in a purchase closing transaction and are collected from you at the time of closing or invoiced to you separately as applicable. A typical estimation of the fees for a closing transaction for a buyer includes approximately \$475.00 for the title examination, \$250.00 for the loan document coordination/preparation, and \$800.00 in fees related to attorney and paralegal work related to the settlement and closing and all other matters set forth in our scope of representation above. Additionally, the average administrative cost for items such as copies, postage, and courier or non-expedited overnight deliveries is \$50.00, but there may be an additional administrative cost for the updating of title and recording depending upon the County in which the property is located. Please remember these are estimates only and may be subject to change depending on the amount of time and work actually expended on your transaction. For instance, there may be additional fees that result from certain financing requirement(s) or unforeseen and changed circumstances that require extra work and/or expenses (such as for the coordination of an absentee or 'mail away' closing or the preparation of any power of attorney, escrow agreement, easement or right of way agreement or other additional documentation particular to your transaction). Generally, our fees for services are calculated based upon the applicable hourly rates for the attorneys and paralegals that do the work on your transaction, and currently, our hourly rates are \$350.00 for attorneys and \$100.00 for paralegals. We will advise you before undertaking any procedures that will materially increase the amount of your estimated fees. Please feel free to contact us anytime if you have any questions about the fees for your transaction.

Our Firm may have represented your seller in a prior matter or transaction or even in the previous purchase of this property, and we may also be preparing the seller's documents necessary to transfer title to you on this transaction. If that is the case, as is customary and typical, the Firm's role is to facilitate the closing in a non-adversarial manner. This means that if there is any material dispute either before or after the closing, then the Firm can neither represent nor advocate for either party. Typically, there would be no need for the Firm to withdraw from our representation, but if there is such a reason that we are reasonably aware, the Firm will advise the parties that each should retain either new counsel or additional counsel.

Most lenders require that we provide a title insurance commitment well in advance of the closing date. So as not to create a potential delay in your closing, we will begin work on the title examination and your purchase upon the date hereof. If you are uncertain about your transaction or do not prefer this process, please contact us immediately to delay the work being undertaken by the Firm on your behalf. Otherwise, at your earliest convenience, please sign below and return this letter to us by mail, email or facsimile at the contact information provided in the letterhead of this letter and retain a copy for your records.

Please note that **Laura K Russell**, is the paralegal that will be assisting on your file. Your paralegal can be contacted directly at either 828-350-3778 or lrussell@grcclaw.com. Again, we appreciate opportunity to work with you and will do our best to make this a smooth and rewarding transaction for you.

Very truly yours,

A handwritten signature in black ink, appearing to read "G. F. Goosmann, IV.", with a stylized flourish at the end.

George F. Goosmann, IV.

Accepted by and agreed to this the _____ day of _____, 20____.
